ADVANTAGES OF A DEPOSIT BOX

In Germany, a private apartment or house is broken into every 4-5 minutes. So, use a locker to keep everything that is particularly important to you safe, or that could not be replaced easily:

- cash, securities, jewellery, gold and other precious metals
- items of sentimental value, such as mementos, heirlooms, letters and photos
- important documents, such as birth certificates, credentials, identification documents, vehicle documents, insurance policies or wills
- Collectables such as gold/silver coins or rare stamps
- personal data backups on hard drives or USB sticks

Our facility's high security standards ensure your personal valuables are in good hands.

My Safe Deposit Box:

THE MOST IMPORTANT INFORMATION AT A GLANCE

What does a safe box cost?

The rental price depends on the size of the box and the duration of the lease. Even our smallest box provides ample space for larger items.

Box S (8.0 x 36.0 x 24.0 cm)
30 days € 40.00 | 360 days € 280.00

Box M (14.0 x 36.0 x 24.0 cm)
30 days € 50.00 | 360 days € 350.00

Box L (39.0 x 40.0 x 24.0 cm)
30 days € 75.00 | 360 days € 595.00

Is my deposit box insured?

Yes, basic insurance covering up to € 30,000 is included as part of your rental agreement. Should you require a greater level of coverage, e.g. if the value of your belongings amounts to more than € 30,000, then you can add additional insurance at a fee.

How does renting a deposit box work?

You can download the relevant deposit box contract at www.hauptstadttresor.de and conveniently fill it in online. You will then need to take the deposit box contract and your valid ID or passport to one of our branches. There you will receive the key and personal access card to your safe deposit box.

It goes without saying that all questions can be clarified in advance. Our staff are happy to help you fill in the safety deposit box contract.
